

# Week 1 Brainstorming 2

Lixiao Yang

1. Personal
  - Have a preference to get things in life tidy and organized
  - Like the feeling of being prepared and the security with it
2. Academic
  - Want to pursue perfection which can be very time-consuming
  - Such mentality sometimes gives me much pressure, especially before important things like the midterm/final.
3. Professional
  - Want to learn more about the related professional domain knowledge so I can adapt to new working environments quickly.
