

# Week 1 Brainstorming

Lixiao Yang

- Typical Chinese
- The concept of unity in the culture
- A large population comes along with intense competition in many aspects of society.
- Made me a perfection,efficiency-pursuing personality which can be a double-edged sword
- Participated in the National Chemistry Olympic Competition which takes up a large amount of time during my high school studying
- Did not got the most ideally result but the process is very meaningful
